

Disability Awareness Training

Monday November 25th 2019 1pm - 4pm
Accessible Wales Office
£30 per person

Are you aware of the needs of those using your services who have a disability?
Are you providing the best possible service?

Our courses aim to raise the awareness of delegates towards the needs of **people with disabilities** which should help **to increase the accessibility of your service**. This course will train your staff to give better customer service ... **Result: Improved Service!**

Date: Monday November 25th 2019
Time: 1pm - 4pm
Venue: Accessible Wales Office, Aberdare Business Park, Robertstown, Aberdare CF44 8ER

The topics covered include -

- Understanding more about disability
- Examine potential access issues and customer service scenarios
- The right thing to say at work; to understand is to get it right!

Hosted by Richard Jones, founder and Principal Consultant of Accessible Wales, sessions are informal, extremely informative, very emotive and at times, highly amusing!
